What's new:

Lift Door Wall Cabinets (LDW and PLDW) size expansion:

Nations Cabinetry has expanded the size offerings in both Dreamcraft and Tidwell brands for our Lift Door Wall Cabinets (LDW) and Pull/Lift Door Walls (PLDW) to allow more versatility when designing. Lift Door Walls and Pullout Lift Door Walls are now available in widths from 18" to 36" wide in 3" increments.

New Door style in Tidwell and Dreamcraft - Carlisle

Carlisle II - Tidwell

Tidwell Cabinetry has introduced a new door style called Carlisle II. This is a mitered door with a 5/8" chamfer inside profile. The door stiles and rails are both 2 3/4" wide with a 1/4" flat panel inset into the frame. The drawer front is a 5-piece mitered front with 2 3/16" stiles and rails with a Shaker

Carlisle 2 - Dreamcraft

Dreamcraft has introduced a new door style called Carlisle 2. This is a mitered door with a 5/8" chamfer inside profile. The door stiles and rails are both 2 3/4" wide with a 1/4" flat panel inset into the frame. The drawer front is a standard Shaker slab front with the 5PDF (5 Piece Drawer Front) option available. This door style is available in Beech, Cherry, Maple, Oak and Paint.

Custom Width in Dreamcraft

Custom widths are available on most cabinets in the Dreamcraft brand. Select the next widest cabinet and then select the required Custom Width in 1/8" increments. Item uses the price from the cabinet reduced in width.

5-Piece drawer fronts in standard overlay

Tidwell brand now offers a 5 piece drawer front option to Classic, Shaker and Sussex door styles. This option will change any slab front to a 5 piece drawer front where the front height is greater than or equal to 5 1/4". The cost is \$22 net per drawer front.

Quick Ship sample 4 packs:

Nations is now offering a Pack of 4 sample doors SDR4PK (Sample door pack of 4 doors, listed below by brand). These packs are designed to provide quick ship samples showing our most popular style and finish combinations.

Continuous Improvement:

Tidwell - New I-Beam construction on Base and Vanities:

Tidwell brand has replaced the plastic top inside corner blocks on all Base and Vanity cabinets with an I-beam, that is 1/2" substrate (Plywood if ordered APC (All Plywood Construction)). The I-Beam is 4" wide and runs from front to back seated in the Frame, End Panel dado and secured at the back with Staples.
