November 13, 2018

To our valued customers,

BJ Tidwell wishes to announce that starting with orders shipping December 3rd, 2018, painted doors in Mitered door styles—in both Full and Standard overlay, will be produced in HDF material. This process excludes our Devonshire II door style, and has already been initiated for our Shaker and Sussex doors, as well as 5 piece drawer fronts in various styles.

Our goal is to offer only the best in quality when it comes to our products. If you have any questions or need assistance, please contact your Customer Service Representative.

Thank You,

The BJ Tidwell Team
