About Hettich

- ▶ Hettich is a family owned business and is one of the world's largest manufacturers of furniture fittings with over 6,000 employees in 38 subsidiaries and partner agencies.
- ▶ The Hettich name stands for quality products and European design, specializing in producing fittings for kitchens, bathrooms, living rooms, offices, hotels and retail stores.
- ▶ Hettich's head office and primary manufacturing facilities are located in Kirchleugern, Germany (one hour drive east of Hanover).
- ▶ As a global manufacturer, Hettich has production operations in the US, Europe and Asia. Each location is operated by Hettich and follows the company's universal quality control specifications.
- ▶ When it comes to kitchen cabinetry, Hettich's core competency focuses on hinges, drawer boxes, drawer runners and sliding/folding door systems.
- ▶ Hettich means a strong partnership with the furniture and white goods industry, with specialist retailers and the trades as well as the Do-It-Yourself sector.
- ▶ Hettich's four solid values are Quality, Innovation, Reliability and Closeness to Customers.

Life's too short
for an old kitchen

Technik für Möbel

InnoTech Atira drawers from Hettich

Running true to form!

- Silent System soft close drawers operate with barely a whisper.
- Utterly stylish outside of the drawer, highly scratch resistant and easy to keep clean.
- Extremely durable Quadro runners, self-cleaning for silky smooth action without let up.
- Silent System reduces noise and stress levels in the kitchen.
- Various possibilities of interior organizers.

Nations Cabinetry

- ▶ Nation's Cabinetry's commitment to superior quality cabinetry has raised the bar across the cabinet industry. Baring the standard of excellence, we offer customers a selection of the finest woods, styles, finishes, and hardware to create the perfect blend of functionality and ambiance.
